### **Saving Grace**

*As we begin this meal with grace,  
Let us become aware of the memory  
Carried inside the food before us;  
The quiver of the seed  
Awakening in the earth,  
Unfolding in a trust of roots  
And slender stems of growth,  
On its voyage toward harvest,  
The kiss of rain and surge of sun:  
The innocence of animal soul  
That never spoke a word,  
Nourished by the earth  
To become today our food;  
The work of all the strangers  
Whose hands prepared it,  
The privilege of wealth and health  
That enables us to feast and celebrate.*
